Product Images

Short Description

This ultra-modern, hybrid, digital alarm clock uses solar power during the day in order to prolong its battery life. Light-sensitive Smartlite technology also enables its backlight to switch on at night and switch off during the day automatically to minimise battery-use, whilst making night-time viewing easy. It boasts a large, digital display and its crescendo alarm has a snooze feature.

Dating back to 1929, Acctim have ended up being one of the UKs most popular clock brand names. Acctim continue to develop wall clocks and alarm clocks that follow the most recent trends, whilst likewise producing a lovely range of traditional looking designs for that nostalgic feel. Based in Newport Pagnell, Buckinghamshire, they have an experienced in-house group that are able to work together to produce wonderful looking clocks.
