Product Images

Short Description

A black, bedside alarm clock from Acctim, featuring a numerical dial with a silent movement.

Description

A luminous dial, luminous hands and a backlight make this traditionally-designed alarm clock an ideal choice for night-time viewing. Its 12-hour display is large and clear, with light green Arabic numerals and its movement is made from quartz for accurate timekeeping. Housed in a modern black case, it's battery-powered and features a bell-style alarm with a snooze function.

Dating back to 1929, Acctim have become one of the UKs most prominent clock brand names. Acctim continue to develop wall clocks and alarm clocks that follow the latest trends, whilst also producing a beautiful range of traditional looking designs for that nostalgic feel. Based in Newport Pagnell, Buckinghamshire, they have an experienced in-house team that are able to collaborate to produce great looking clocks.
