

Redbridge Radio Controlled Chiming Mantel Clock 27cm

Product Images

Short Description

This stunning mantle clock will never need to be reset, as it's radio-controlled and will adjust itself to make sure that it's always accurate. Battery-powered, it has a traditional design with a deep mahogany case and ornately decorated face, and features a Westminster chime which can be programmed to shut off automatically at night.

Dating back to 1929, Acctim have ended up being one of the UKs most popular clock brand names. Acctim continue to develop wall clocks and alarm clocks that follow the most recent trends, whilst likewise producing a lovely range of traditional looking designs for that nostalgic feel. Based in Newport Pagnell, Buckinghamshire, they have an experienced in-house group that are able to work together to produce wonderful looking clocks.
