Short Description

A blue cased children's 'teach the time' wall clock from Hometime. This wall clock has a colourful design perfect for a child's nursery or bedroom and includes helpful colours and wording to assist with teaching them how to tell the time. The face has a quarterly display with the corresponding wording of 1/4 past, 1/2 past and 1/4 to the o'clock. The clock's dial is a colourful, easy to read Arabic dial with an outer minute index and crayon shaped hands labelled 'hour' and 'minute.' Requires 1 x AA. In a world where stand alone time pieces are no longer a necessity, Hometime was launched in 2010 as a fresh new take on clocks that bring a trend led but practical styling, alongside the quality of a long lasting keepsake.
