Short Description

A large contemporary, industrial wall clock with natural wood and metal frame. From Hometime - unbeatable style and astonishing affordability in contemporary timekeeping. This large 62.5cm clock features a cut out rusted iron effect metal frame with Roman quarter dial and alternate white wooden arabic and metal worded numerals. Complete with black spade hands it is the perfect combination of contemporary and classic style. The ultra-precise quartz movement requires 1 x AA battery. In a world where standalone time pieces are no longer a necessity, Hometime was launched in 2010 as a fresh new take on clocks that bring trend led but practical style, alongside the quality of a long-lasting keepsake. With a broad and affordable range of stylish, modern and vintage designs, influenced by contemporary architecture and accompanied with quirky, shabby chic and colourful features, Hometime stands alone in its timeless appeal for every home interior style.
