## Product Images

## Short Description

---

A stunning, brushed aluminium and glass square mantel clock from Wm Widdop. Complete with Roman dial, straight black hands and an intricate and mesmerizing skeleton movement. There is also a small minutes dial above the VI. The highly precise quartz movement requires one AA battery for operation (not included). Established in 1883, William Widdop is our flagship brand, named after our founder who was a clockmaker and jeweller based in the Yorkshire town of Brighouse. With a strong focus on family traditions, we continue to manufacture classic clocks as well as producing new & innovative designs. Wm Widdop clocks are famed for their history, longevity and timeless style which remains steadfast in the range today. Manufactured with unrivalled quality for those who will cherish their traditional timepieces for many years to come.
