Product Images

Short Description

A metal case 'Fishing Rod' style mantel clock, from Hometime. This clock is the perfect addition to any home that loves to create a quirky vintage feel with their decor. It would be perfect for an office or living room. It features an arabic dial with black serpentine hands and a white face within a fishing rod style ornament with a weathered finish. It requires one AA battery for use. Paired with high quality, branded packaging In a world where stand alone time pieces are no longer a necessity, Hometime was launched in 2010 as a fresh new take on clocks that brings a trend led but practical home interior styling alongside the quality of a long lasting keepsake. With a broad and affordable range of stylish, modern and vintage designs influenced by contemporary architecture and artefacts and accompanied with quirky, shabby chic and colourful features, Hometime stands alone in its timeless appeal and scale of offering for every home interior, theme or style
