

# Metal Mantel Clock - Old Fashioned Telephone 31cm

## Product Images

## Short Description

---

A vintage telephone clock from Hometime. This quirky clock takes the form of a vintage and rusted telephone which brings a classic vintage touch to the home. The clock is perfect for a mantelpiece and will not look out of place in any home. The clockface has an easy to read arabic dial and serpentine clockhands to finish. In a world where stand alone time pieces are no longer a necessity, Hometime was launched in 2010 as a fresh new take on clocks that brings a trend led but practical home interior styling alongside the quality of a long lasting keepsake. With a broad and affordable range of stylish, modern and vintage designs influenced by contemporary architecture and artefacts and accompanied with quirky, shabby chic and colourful features, Hometime stands alone in its timeless appeal and scale of offering for every home interior, theme or style.
