

# Metal Mantel Clock - Black Locomotive Arabic Dial 31cm

## Product Images

## Short Description

---

A vintage steam train clock from Hometime. This quirky clock takes the form of a black steam train, making it a perfect gift for a fan of these old locomotives. The clock is perfect for a mantelpiece and will not look out of place in any home. The clockface has a rustic display, an arabic dial and black clockhands to finish. In a world where stand alone time pieces are no longer a necessity, Hometime was launched in 2010 as a fresh new take on clocks that brings a trend led but practical home interior styling alongside the quality of a long lasting keepsake. With a broad and affordable range of stylish, modern and vintage designs influenced by contemporary architecture and artefacts and accompanied with quirky, shabby chic and colourful features, Hometime stands alone in its timeless appeal and scale of offering for every home interior, theme or style.
