Short Description

A white square cushion alarm clock from William Widdop. his classic alarm clock has a silent sweep movement, a light to illuminate the dial and a snooze function. The clock is perfect for a bedside table with a crescendo beep alarm that can be set using the adjuster on the back. Established in 1883, William Widdop is our flagship brand named after our founder who was a clockmaker and jeweller based in the Yorkshire town of Brighouse. The brand has long since developed into the Widdop of today, but with a strong focus on family traditions, the company continues to manufacture classic clocks as well as producing new, innovative designs under its flagship name. Wm Widdop clocks are infamous for their history, longevity and timeless style which remains the core to all of the items in the range today. Made with an unrivalled quality and designed for those who will keep and appreciate these traditional timepieces for many years to come.
