Short Description

A unique and striking digital LED alarm clock from Hometime. Featuring a matt black wood effect box design with green illuminated numbers shining through the front plate. Can be USB charged or battery operated. A modern and attractive item perfect for a contemporary bedroom. Complete with date function, thermometer and voice operation. In a world where stand alone time pieces are no longer a necessity, Hometime was launched in 2010 as a fresh new take on clocks that bring a trend led but practical styling, alongside the quality of a long lasting keepsake. With a broad and affordable range of stylish, modern and vintage designs, influenced by contemporary architecture and accompanied with quirky, shabby chic and colourful features, Hometime stands alone in its timeless appeal for every home interior style.
