## Short Description

---

A black motorbike miniature clock from William Widdop. Bring a unique and quirky touch to the home with this stylish miniature clock made with great attention to detail. The miniature motorbike clock is a great gift for someone who loves iconic motorbikes. Whether it's a gift for a housewarming, an 18th birthday or 80th, this miniature motorbike clock has a lasting style that will look great on a bedside table or a living room mantelpiece. The clockface takes the place of the motorbike's back wheel with a clear arabic dial and slimlined contemporary clockhands. Established in 1883, William Widdop is our flagship brand named after our founder who was a clockmaker and jeweller based in the Yorkshire town of Brighouse. The brand has long since developed into the Widdop of today, but with a strong focus on family traditions, the company continues to manufacture classic clocks as well as producing new, innovative designs under its flagship name.
