

Miniature Clock Steering Wheel

Product Images

Short Description

Give the motoring enthusiast in your life the perfect gift with this collectable classic steering wheel miniature clock. From Wm Widdop - over 130 years of unrivalled innovation and unbeatable quality in British timekeeping.

The intricately detailed die-cast chrome finish wheel features glossy black dimpled leather grip details and an arabic dial clock face set in the centre.

The ultra precise quartz movement requires 1 x SR626SW watch battery (included).

Established in 1883, William Widdop is our flagship brand, named after our founder who was a clockmaker and jeweller based in the Yorkshire town of Brighouse. With a strong focus on family traditions, we continue to manufacture classic clocks as well as producing new & innovative designs. Wm Widdop clocks are famed for their history, longevity and timeless style which remains steadfast in the range today.
