

ALARM CLOCK WITH LCD TEMPERATURE DISPLAY - WHITE

Product Images

Short Description

A stylish and contemporary round white plastic alarm clock with LCD temperature display. From WILLIAM WIDDOP® - over 130 years of unrivalled innovation and unbeatable quality in British timekeeping.

Established in 1883, WILLIAM WIDDOP® is our flagship brand, named after our founder who was a clockmaker and jeweller based in the Yorkshire town of Brighouse. With a strong focus on family traditions, we continue to manufacture classic clocks as well as producing new & innovative designs. WILLIAM WIDDOP® clocks are famed for their history, longevity and timeless style which remains steadfast in the range today. Manufactured with unrivalled quality for those who will cherish their traditional timepieces for many years to come.
