

Best Quality Outdoor Clock with Temp and Humidity display 36cm

Product Images

Short Description

Sturdy and waterproof, this metal garden clock has temperature and humidity gauges perfect for outdoors or indoors. The dial design makes a beautiful piece of wall décor as it does a traditional time piece. With its brown metal frame, striking Roman numerals and slender hands against a cream dial, its a luxurious piece of design for any style home. For peace of mind, this clock comes with 1 year warranty.
