

# Addison Geometric Hexagonal Design Wall Clock

## Product Images

## Short Description

---

Geometric shapes have been used by artists for centuries to suggest balance and cleanliness in a painting. Addison builds on this theory by overlapping two identical hexagons to create a smaller third hexagon, which the focal point of the face and hands can be framed within. Here's a chance to own your very own Picasso.

## Description

---

Addison Geometric Hexagonal Design Wall Clock

## Additional Information

---

Colour	Black
Digits	Markers
Display	Analogue
Finish	Matt
Brand	Acctim
