

Barber Analogue Alarm Clock

Product Images

Short Description

Sometimes the best designs are the simplest ones. And that's the case with Barber. With its uncluttered dial and accented coloured seconds hand, time has been redesigned. Its beautiful aesthetics are complimented by features such as an easiset alarm, crescendo alarm with snooze button and blue backlight. And so you can still admire its timeless design throughout the night, Barber also features our Smartlite® technology, which allows for easy nighttime viewing.
